THIS YEAR'S ADJUDICATOR:

GAYLE JOHNSON

FIDTA, FBATD, RAD (MRT)

Gayle Johnson is experienced and well qualified within the festival world. As a British Federation Adjudicator and examiner she has adjudicated, examined and lectured for many associations, both at home and abroad, for the past 20 years. As an active member of the TDCI and various other technical committees, her choreographic skills have had major input into new examination grades, for syllabi. As a child she successfully competed in many dance festivals and made several appearances on TV and in pantomimes. At the age of 17 she joined a professional international speciality act working in the UK and abroad and, in 1982, Gayle opened her own school offering all genres of stage dance and has stayed actively involved, thus making her aware of the ever changing youth of today. Her achievements within the prestigious Miss Dance and Dance Master of Great Britain are extensive with numerous winners and finalists between the period of 1992 and 2007. Over the years students have successfully entered TV work including commercials and at present are professionally working within the Ballet Rambert Company and London theatre productions. Her dedication and encouragement ensures continuous professional development, to keep up with challenging but exciting times.
