

Rooms for Hire: The Solent

With seating for up to 250 people, the Solent is Ferneham Hall's largest room, surrounded by a concourse with direct access to the bar, catering, reception, cloakroom and toilet facilities.*

The design characteristics of the Westbrook Red brickwork and the fully sprung dance floor make the Solent a popular venue for large wedding ceremonies, receptions, dinner dances and celebrations.

Wedding celebrations in the Solent

The permanent stage is equipped with full stage lighting offering a whole range of special effects to make your day the biggest production ever – whether it be themed or just a magical setting for your service and/or celebration.

Our expert technical crew will also be on hand to operate the sound and lighting and can even arrange for pyrotechnic (firework) effects to make your vows end with a bang!

For more traditional celebrations the stage can also be used by a DJ for discos or even by a live band or orchestra.

Whatever your dream ... we can help you make it come true!

Ferneham Hall is a non-smoking venue

**Ferneham Hall has two caterers who are licensed to use our kitchen facilities and can be contacted direct for suggested menus. See our Catering sheet for details.*
